[lmulhall@ccala.org](mailto:lmulhall@ccala.org) or 213.416.7514.

Get Directions

**LAX Landside Master Plan**

Join us to learn how LAX will provide an array of new and convenient transportation options outside of the Central Terminal Area through its Landside Master Plan (LAMP). The centerpiece of the Project is the Automated People Mover (APM) system, which would connect passengers to the airline terminals, as well as a state-of-the-art Consolidated Rent-A-Car Facility (CONRAC), new passenger pick-up and drop-off locations (Intermodal Transportation Facilities) with airport parking facilities. Members are invited to hear about the timing and impacts of these projects.

**Special Guest: Lisa Trifiletti, Los Angeles World Airports**

**DTLA Mobility Center**

Come learn about a cutting-edge transportation project for Downtown. The Downtown LA On-Demand Shared Mobility Connectivity Center will be an innovative Transportation Management Organization (TMO) to increase mobility options and connectivity to meet the needs of the 24/7 demands of the greater Downtown area. This Center will combine a multi-modal wayfinding app; new EV vanpool/shuttle services; customer service for sales of group transit passes for Metro, Metrolink and LADOT; and connect existing public and private transit services within a single physical location and interactive website. Find out about how this pioneering system can improve your transportation options.

**Special Guests: Tom Carranza, LADOT; Derek Fretheim, Green Commuter; Ben Stapleton, LA Cleantech Incubator; and Hilary Norton, FAST – Fixing Angelenos Stuck in Traffic**

*(Open to Executive, Business Advocacy and Premier Level Members Only)*

**Location**  
Central City Association  
626 Wilshire Blvd.  
Suite 200  
Los Angeles, CA 90017

**Parking**  
Parking is available onsite.
